

An event organized by
Berufsbildende Schulen Ritterplan
(College for Further Education)

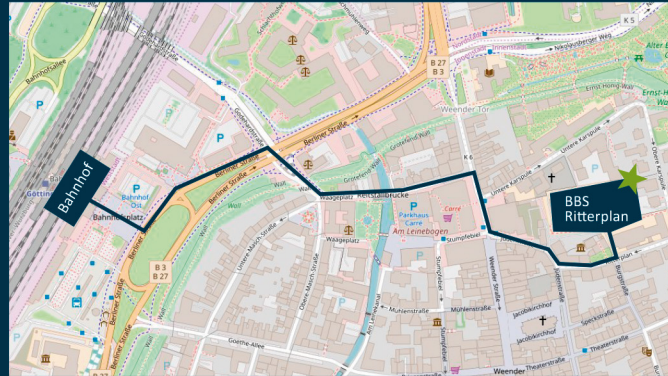

This year the "Night of Senses" will already take place the fifth time. During 5pm - 9pm visitors are very welcome to experience activities from our different vocational departments with all their senses. A wide range of sessions and offers will be demonstrated in a special atmosphere.

We look forward to welcoming you into our school and wish a lot of fun and excitement!

Students, trainees and staff of the following departments:

- A-level diploma
- Vocational Introductory Courses
- Nutrition
- Home Economics
- Health and Beauty
- Social Care
